## IMPORTANT CONSENT FORMS SEPTEMBER 2021

### IMPORTANT CONSENT FORMS Years 8 to 11 only

At the beginning of each new school year we ask parents to check the details we hold for your son/daughter on our school's Management Information System (SIMS). To do this securely and comply with GDPR, please log into **Parent App** and review and update the important information, particularly emergency contact telephone numbers, address details and medical conditions. School will then receive an alert to any changes you make.

Please find below the links to Annual Parental Consent Form (giving permission for your child to attend low risk activities off site) and Photographic & Digital Consent Form that need to be completed by Friday 17th September 2021.

*Please note school will not cross reference the details on these forms with your child's contact information on their SIMS record. This must be done by you using Parent App.*

Full details of the Parent App can be found here: [Parent App](#)
